In this post, I will share with you a few of the most interesting Express Scripts statistics and facts I was able to dig up. In the future, be sure to check back in the future as I will be updating this post as new statistics become available.

Note that some of these numbers are easier to find than others. A few of these Express Scripts stats come from their own reports, but some are based on news reports and not official company tallies. No information contained on DMR should be used to make investment decisions. Basically, this is the best I can find and I don't guarantee anything to be 100% accurate.
