

ATLANTIC YARDS

AFFORDABLE HOUSING INFORMATION SURVEY

Forest City Ratner Companies (FCRC) is proposing to build approximately 2,250 affordable rental apartments in Downtown Brooklyn as part of the Atlantic Yards development project. These apartments will be affordable to a range of incomes and family sizes and will be made available through a City-administered lottery for each building, starting in 2009. FCRC and ACORN, a community organization dedicated to affordable housing, are reaching out to families that are interested in receiving a housing application when they become available.

Please note that this is not an application for the lottery, though you will receive an application for the lottery once formal marketing begins.

Please print this survey, respond to the following questions and mail to the address below

Please keep me informed about Atlantic Yards Affordable Housing

I currently reside in:
